Short Question

Question # 1

What is carving and Engravings?

Artists from Aurignacian period made pictures by scratching lines on bones, horn and elephants teeth using a suitable pointed sharp tool. This type of picture is called engravings.

Question # 02

Define Sculpture?

Some experts believe that sculpture making is the oldest form of human arts.

14 Sculpture pieces of Venus has been found from Gravettian civilization. These are considered to be from 30000 BC to 20000 BC.
