Q1:

Application

The Principle,
Government College,
A.B.C.

Sir,

With utmost respect, it is stated that I am a student of JCS in this prestigious college. I am writing this application to request you to grant me leave for one month from college on medical grounds.

Sir, my ~~mother~~ mother has been diagnosed with a chronic disease and we will be taking her to another city for treatment. This is a very critical situation for our whole family. My mother is in need of someone who could be there for her and take care of her during this crucial period.

My father has decided to take my mother to Islamabad for her proper treatment. I truly hope that you understand the depth of my troubles and I, therefore, request you to grant me a leave for ^{one} month. I assure you that I will make up for the missed work and keep myself updated with the syllabus during ~~my~~ my absence.
