The Principal,
Government College,
A.B.C. (City).

Respected Sir,

With due respect, it is stated that I am a student of FSc - pre medical in this college. I am writing this application to request you to grant me leave from college on medical grounds.

My grandfather has chronic disease, and we will be taking him to another city for treatment. Doctors of our town has failed to diagnose the disease.

We all are very upset. He is in so much pain. My father have called some of his friends and they have given some information of the doctors.

My father has decided to take my grand father to Islamabad for the diagnosis and proper treatment. I hope you understand. I have also discussed the problem with my teachers. They are kind enough to help me and guide me to make up for the loss of my lectures.

Yours obediently,
X.Y.Z
