## Question no 1:

The Principle,  
Govt. College,  
A.B.C. (City)

Respected Sir,

With utmost respect, it is stated that I am a student of ICS in this prestigious college. I am writing this application to request you to grant me leave for one month from college on medical grounds.

Sir my mother has chronic disease, and we will be taking to another city for treatment. It is a critical situation for the whole family. We are very upset as to what causes her so much pain and why she feels neglected. I have called some of my friends and they have given me information on specialized doctors.

My father have decided to take my mother to Islamabad for diagnosis and proper treatment. I hope you understand the circumstances I am going through. I, therefore, request you to grant me leave for one month. I have discussed my problem with my teachers. They are kind enough to help me to make up for the loss of my lectures.
