The Principal,
Government College,
City A.B.C

November 15, 2023

Respected Madam,

Respectfully, I wish to state that I am a student of Intermediate Part-I in your esteemed institution. I have been suffering from a high fever for the last three days.

In the beginning, I thought to recover soon but in spite of the best treatment, the fever is not getting down. My doctor is of view that complete bed rest is essential at least for a week for the restoration of my health. He has warned me that any fatiguing work will worsen my health.

I would be very thankful to you if you kindly grant me a week's leave from 15th to 17th November 2024. The medical certificate and prescription issued by the doctor are attached for your kind persual.

Thanking you in anticipation.

Yours obediently,

x.y.z
