Respected Sir,

With utmost respect, it is stated that I am a student of Ics in this college.

I am writing this application to request you to grant me leave for one ~~month~~^{week} from college on medical grounds.

Sir, my mother has chronic disease, and we will be taking her to another city for treatment.

It is a very critical situation for the whole family. Doctors of our city have failed to diagnose or understand the nature of her disease.

My father has decided to take my mother to Islamabad for diagnosis and proper treatment.

I hope you understand the circumstance I am going through. I, therefore, request you to grant me leave for one week.
